

Skill Development Activities

- ❖ Students were apprised the use of chemistry for entrepreneurship.
- ❖ Demo experiments on preparation of soap, vanishing and cold cream.
- ❖ Extraction of essential oils by steam distillation, column chromatography, vacuum

sublimation

Skill development workshops

Distillation (2013-14)

Vanishing (2014-15)

Lab safety (2013-14)

Cold cream preparation (2013-14)
