

## FORMAT

**Event Title:** Experience sharing program

**Date:** 25<sup>th</sup> July 2018

### Particulars:

1. The aim of the program was to share experiences from our former students for a more effective academic framework and give students idea beyond academics.
2. The program also aimed at enabling a deep understanding on the following academic issues students generally confront:
  - a. Active management of project in short duration of time.
  - b. Coping with syllabus, learning and co-curricular activities simultaneously.
  - c. Time management to reduce stress.
  - d. Exam Pressure on Students.
3. In the end there was a Question-Answer session where TYBSC students asked questions in their respective field of difficulty.
