

## REPORT

**Event Title:** “Poster Making Competition”

**Date:** 14<sup>TH</sup> December '18

### **Particulars:**

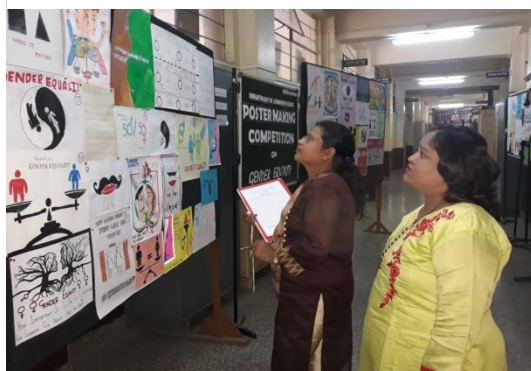

1. Students were encouraged to make posters on Gender Sensitization with theme “**Gender Equality**” which gave them the feel to know the difference.
2. Event created an impactful image on students to maintain the equality not only among male and female but also transgender.
3. Students came up with incredible poster ideas; some deflecting female harassment by male gender, some showing equality should be maintained.
4. Students got a track of feeling the difference between genders in our community and figuring it in the form of posters.
