SWOC

Strengths:

- ICT-based teaching
- Strong mentoring support
- Staff with diversified academic and research background
- International and national research publications

Weaknesses:

- Inadequate space to setup a proper departmental library and museum
- No post-graduate department

Opportunities:

- Consultancy in research and training
- Courses in archaeology
- Collaboration with international/national institutes for research and student exchange program
- Community-based activity

Challenges:

- Placements and self-employment opportunities
- Need to revise the curricula and make them more career oriented
