Subject: *Creating awareness about National Education Policy (NEP) 2020 - reg.*

Dear Sir/Madam,

I am delighted to share with you the National Education Policy (NEP) 2020, which aims at making progressive changes in Indian Education System and making India a global knowledge super power. The NEP is a shift from incremental reforms to transformational reforms in the education system. As such, the stakeholders have to be informed about the benefits that could accrue if the challenges put forth by this shift are faced with utmost urgency and sense of purpose and commitment.

I am enclosing in the attachment a letter from Secretary, UGC; the NEP document in both Hindi and English, along with the salient features of the NEP 2020, for your perusal and wider dissemination.

As Leaders and Champions of quality education and progress, each one of you have tremendous responsibility and capacity to ensure that this National Policy gets implemented effectively. There is also a need to generate interest and create awareness about the NEP 2020 amongst all the stakeholders.

You are kindly requested to make all efforts for the dissemination of the highlights of the NEP 2020, its implications, prospects and the road ahead amongst all the stakeholders, as envisaged in the letter from Secretary, UGC. Initiatives taken in this regard may kindly be shared on the University Activity Monitoring Portal of UGC by clicking at the following link :
