Date: 03 /08 /2023

Title: Artificial Intelligence for teaching, learning and research

Total number of Beneficiary: 47 Teachers

The Internal Quality Assurance Cell of M. D. College in collaboration with Grand Academic Portal, India organized a Capacity Building Workshop on “Artificial Intelligence for teaching, learning and research” on 03rd August 2023 by Dr. Gurudatta Japee, Head, Department of Advanced Business Studies, School of Commerce, Gujarat University. The workshop was organized with an objective to introduce to teachers the various AI tools for effective teaching and research. The session was inaugurated by Principal Dr. Chhaya Panse madam emphasizing on the influence of AI in day-to-day life and its future impact in the teaching learning process of the learners. Dr. Gurudatta Japee emphasized on using alternative email address for preventing phishing and cyber security. He explained and demonstrated the use of various AI tools including the tome.app for preparing quick presentation, Quillbot.com for grammar and plagiarism checking, and paraphrasing, Consensus.app for searching top cited papers, Chatpdf.com to get quick and specific answers from a research paper, padlet.com for continuous internal evaluation, starryai.com for creating images using AI, and many more application for effective teaching and research. A total of 47 teachers from the arts, science and commerce faculties were benefitted through the workshop.
