

Report

The Department of Statistics had organised a workshop on R software on September 06, 2023. Ms Tanzim Shaikh Assistant Professor, B N Bandodkar college was the resource person for the workshop. The students from Zoology, Economics and Mathematics also attended the workshop and there were a total of 19 participants. The workshop highlighted the applications of basic statistical concepts using the R software and will prove to be useful to all the students in future endeavors.
